

Wellington-Guelph Health and Housing Community Planning Table Key Messages

The following are the Key Messages from the Wellington-Guelph Health and Housing Community Planning Table (HHCPT) meeting that was held on Sept 22, 2026. Please share these key messages broadly with interested partners and stakeholders.

1. New hospital-to-home services at GGH, in partnership with Bayshore Integrated Care Solutions, will support individuals with complex mental health and addiction needs in Guelph who are discharged from GGH. Services are time-limited to 16-weeks, and care will be transitioned to Guelph CHC to support clients in supportive housing.
2. Housing Services' Winter Response Plan (WRP) will run from October 1st, 2026 to April 30th, 2027. The WRP supports individuals experiencing unsheltered homelessness during the winter months and aims to transition individuals into permanent housing at the end of the WRP. Work is currently underway to formalize connections to health services as part of the WRP.
3. The new Angel Gabriel Foundation Centre for Mental Health and Addictions unit will begin operations later this month at Guelph General Hospital (GGH). The unit has doubled the capacity of SSAU beds (from 4 to 8) and includes new outpatient therapy rooms to support patients leaving the emergency department.
4. The County of Wellington's Housing Services Division is advancing a community submission for the Build Canada Homes funding. Interested parties should contact Dave Purdy, Director of Housing Services at davep@wellington.ca.

Other Messages/Reminders

The Health and Housing Community Plan has been released! An easy to understand one-page summary can be found [here](#). Read the full plan [here](#).

The fifth Community Partner Meeting was held on June 4, 2026 via Zoom. The webinar provided a high level overview the Health and Housing Community Plan and an update on the work Planning Table. The recording can be viewed [here](#). The next Health and Housing Community Partner Webinar will be held in Fall 2026. Registration will be required, and a registration link will be shared closer to the date.
